

Ed Tech

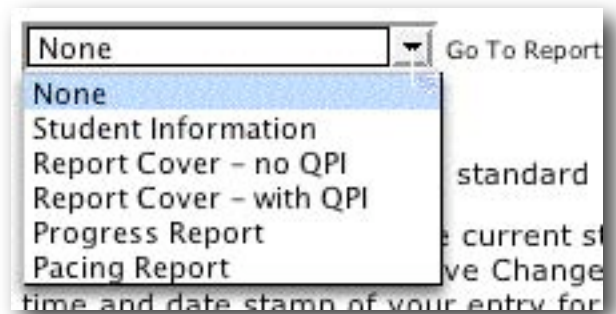

Supporting multiple learning modalities for using technology and distance learning as a tool in your classroom, school, district and life.

DART Byte: Printing Individual Draft Reports

You can print draft reports on site when needed. The current available reports are: Report Card, Report Card (No QPI), Progress Report and Pacing Guide.

- 1) Login
- 2) Choose one of your groups and then select a student.
- 3) Once you have the student you want to print a report you can make a selection from the pull-down menu. The pulldown will provide the options to view the following: Student Information, Report Cover no QPI, Report Cover with QPI, Progress Report, and the Pacing Report.

Student Information

This is a summary page that is can be printed out for class records. Some of these can also be modified. See DARTByte: Student Demographics

Report Cover - no QPI

This is the quarterly report without the QPI indicators, including comments.

Report Cover - with QPI

This is the quarterly report with the QPI indicators, including comments.

Progress Report

This report breaks down the content areas into individual standards. It does not display the comments.

Pacing Report

The pacing report will provide students and teachers with a general idea of the pace at which the student is working.

Reminder!!

All the reports printed from this area are drafts. The batch printing of reports for the end of the quarter or year is located in the Reports section under individual. See DARTByte: Printing Current Reports
